Number4 for The Week of August 2, 2018

PROGRAM

Chris gave a very interesting program on his visit to Cuba through the American Academy of Forensic Scientists educational exchange earlier this year.

He said the investigation techniques used in Cuba are the same types of methodologies as in the USA.

The AANCE were treated very good by the Cuban investigators. The food was OK but nothing like here.. They ate in the same Restaurant the Obama's ate in during their visit to Cuba. Chris showed several pictures of the taxi's and transportation used in Cuba, most of the cars are vintage 1950's. The cars are kept running by the mechanics in Cuba that have been able to duplicate the parts needed.

Chris also visited several cultural events and enjoyed the entertainment, most of the music is that of the 50's ad 60's. The taxes on Cigars and the import fees have been loosened which allowed Chris to bring back some souvenir gifts. He gave one to the Club to be auctioned off .

Veronica out bid Chris Moore for a genuine Cuban Cigar that Christ brought. She will give it to neighbor John Harder whose wife Kelly is having a baby. (Kelly was actually in labor during our meeting today
